Our teachers have done a wonderful job teaching math! Our students have listened well, and worked hard. God has certainly blessed us with a school that is preparing students to impact the world both spiritually and academically.

Great job!

## Firm Foundation of TRUTH

"Train yourself for godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come...for to this end we toil and strive, because we have our hope set on the living God," 1 Tim. 4:7b-10
