

Faith Christian Academy Saints' Booster Club

"Raising-up athletes to bring glory to God"

We welcome you to join this exciting club for parents, students, and those who love sports. Faith Christian Academy's Booster Club seeks to make a significant contribution that will impact all of FCA. The desire of FCA's Booster Club is to provide a quality sports' environment in which we can offer a variety of opportunities for our athletes to pursue their talents in sports while growing in their faith. This will be accomplished by providing an assortment of projects, ideas, and activities that will continue to raise interest in FCA's sports programs while also bringing in the needed funds to support those programs.

The activities of the Booster Club are important projects that help to raise-up our athletes, while providing them with the needed equipment that will help to promote an excellent program.

Some recent projects have included:

- Designing sharp FCA wear
- Concessions at various games
- Homecoming events
- Sports' banquets
- Athlete recognition
- The purchasing of a new scoreboard for basketball

Some of the goals for the FCA Booster Club include:

- New uniforms for our basketball teams
- New and improved equipment to assist in the training of our athletes
- Funding to send our coaches to training workshops
- Increased involvement at sporting events by our families and fans
- Developing a program that is able to compete in the WIAA.

Please consider your role, whether it is through prayer, a donation, or club participation in this vital organization as we seek to raise-up athletes that bring glory to God.

Yes, I want to be part of FCA's Booster Club
