There are some days that this world seems so big; and then there are other days that this world seems so small. Each one who knows Christ has been given this mission to perform, which is spreading the good news of Christ. We might think, how am I supposed to do that?! We will not always know the where-for and the why, God chooses us to do certain things; but we must obey His call. Isaiah 52:7 tells us that the news we bring is good! So, no matter what the circumstances, or even the timing, it makes no difference. It is good news!

At Faith Christian Academy, we have the privilege of equipping each student with The Word of God. Each day they are being given tools for the trade- Scripture being the most powerful one. Through God's word, they will discover what this good news means; and be able to confidently proclaim it to the world.

We truly pray that each student will use the tools being given to them and draw closer to God. The good news is not just for one day, but it is for eternity and it is life giving. We pray this not only for our students, but for each family as well. Count each day as a blessing, for we can tell others of Him!

Blessings,
Mrs. Kukulka
