## From the Administrator's Desk

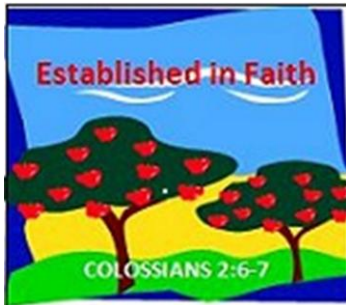

Children are an inheritance of the Lord. If a person takes the time when they are around them, they can experience so much of what God is trying to teach us. Just look at this picture...what comes to mind? I have several things pop into my head. This child is looking for something. What are the many things in life that we should be directing our children toward? Are we directing them- training them in the way that they should go? We ourselves can be taught to seek and find the things of God. We must know these things ourselves if we are to try and direct our children.

Another thing that I think of when I see this, is our children looking for us to be there, to help them when they need help, to be involved in those things which are important to them. Our children need stability. What a blessing to be able to offer them a Christian Education. God's word shows them how important they are, that He cares about each and every thing, and it offers sound counsel and stability for life.

The other thing that comes to mind is that we are children of the Most High, sons and daughters of The King. What a privilege! We must never take this for granted, for His love is so deep and wide. Let us celebrate this together, for this school is God's school. Glory to His name!

Blessings,  
Mrs. Kukulka

### Make a Difference Day

*On October 19<sup>th</sup>, the 9<sup>th</sup>-12<sup>th</sup> grade students will be joining the United Way and other members of the community, to rake leaves for the elderly and shut-ins. Students will arrive at school at the normal time. We will be planning our school day around this event. The project will be for two hours only. (9:00 a.m. - 11:00 a.m.) Please plan to drop your child off @ the normal 7:45 a.m. time. It is important that each child is present. After all, we can't make a difference if we don't show up. :O)*

We want you to be satisfied with your child's picture. If something just doesn't seem right, you have the option of having them retaken. Picture retake day is November 9<sup>th</sup>. If you have any questions, you can call Tracy Leach @ 715-845-0500.
