From the Administrator's Desk

Now that we have arrived at the final days of 3rd quarter, it gives me pause to look back over our school year and ponder God's goodness to FCA. Without a doubt, I am daily blessed by the gifted, compassionate teachers and staff that He has brought to FCA.

One such teacher shared with me weeks ago about some concerns that she had regarding one of her students. This student had shared with her teacher some questions regarding her (the student's) salvation. The teacher listened and offered some answers, while assuring the child that she (the teacher) would be praying for the child. And that is exactly what the teacher did- she prayed for the need of this child daily, (in her own private prayer time) faithfully placing the child before the throne of God.

Last week, this child came to her teacher and said, "I'm ready." The teacher and child spent the next bit of time talking about what a life that is surrendered to God looks like. The child then prayed and asked Jesus to be her Savior. The teacher shared this news with me with tears streaming down her face.

Isn't God spectacular? The teachers at FCA know and embrace the fact that FCA is about far more than a child learning the required material. They take very seriously the needs of each child. Not only do the teachers spend time each morning praying for FCA- they also faithfully pray for each student on their own time..

Praise God!
