## Senior Class Ministry Trip:

The Seniors have returned from their ministry trip exhausted, challenged, and changed. Each student was clearly taken out of their comfort zone, relying upon God for each task that was set before them, and excelling at each thing they did.

Students ministered to Buddhist, Muslim, inner city, and homeless children. They worked as a team to prepare 1000's of meals for starving children in other countries. They presented the Gospel to hungry, lonely adults. They prayed in the name of Jesus at a Muslim mosque. They truly made a difference.

One of the goals of FCA is to equip students to impact the world for God, and these students did exactly that. And the beautiful part is that each of them has expressed a desire to continue impacting the world.

Thank you for your prayers!
