New Beginnings:

Last year, we left you with this picture of our seniors. It was one of the pictures we used for graduation. However, where this might cause one to think of endings, this causes me to think of beginnings. They have entered a new season in their lives. Pastor Todd so beautifully commissioned each of them. How exciting to be a part of that! We are so blessed to be a part of a school, that boldly and without shame can teach The Word of God and train others to proclaim it!

We are at the beginning of a new school year. There will be new lessons to be learned. Students will be trained up spiritually and academically. What is exciting to remember is that each day is new - for everyone! His mercy is new. How He molds us that day is new...He is not finished with any of us. His love is so deep and so wide that each day there is a new understanding of what it means to be the sons and daughters of God.

We pray that each day you will feel His mighty presence and love- that each day will be a new beginning, and bring a new insight, which will bring you closer to your Heavenly Father.

Blessings,
Mrs. Kukulka

Ren Web

If you are still having trouble signing in to ren web, please let the office know. Also, talk to your teacher about this tool. Each application of ren web may not apply to each grade. Our youngest elementary grades will more than likely be in touch with you through class newsletters, class calendars, emails, conferences, and memos. Our teachers want to make sure that you stay informed. So, do not hesitate to be in contact with them.

In regards to Jr./Sr. High application, please remember that ren web is a guide. There may be times that information will change in a certain class, for that week. If you are unsure of an assignment, or if your child is unsure of an assignment, our teachers are happy to have you ask questions in regards to this.

Wreath Sale Fundraiser

Please turn your wreath orders in each Monday. Also, if you have any direct ship orders, please report those to the office as well. There are incentives for this year's fundraiser, which will be awarded at the end of the sale.

ATHLETIC CAR WASH

We will be having our athletic car wash on September 24, 2011. We still need athletes to confirm the shifts they are working. We will not be doing the brat fry.

Everyone has an opportunity to bring their car through for a wash and donate \$1.00 (or more ☺). Parents and students can be a sponsor in this way. Also, tell grandma, grandpa, Uncle Henry and the neighbor. We will be accepting donations at the car wash. We also need paper towels, soap, buckets, glass cleaner, extension cords, shop vacs, sponges, and whistling workers. This can be great fun. St. Matt's is donating the water and helping us set up the route for the car wash. Let us know the time you can work, a.s.a.p. Thank you!
