## From the Administrator's Desk

Just this morning I was reminiscing about all of the time and thought that I put into each outing I took with my children (when they were still babies and toddlers). Mr. Korn and I came up with different "set" things that we would always do to ensure that we could get to our destinations on time. For example- as soon as we arrived back at home we would re-stock the diaper bag for our next outing. We were attempting to never be caught unaware- attempting to be prepared.

Every student quickly learns the need to be prepared as well- if it be for simple things like making sure they have the needed school supplies, or for complicated things like being prepared for the next exam. If we are going to be prepared, we have to put some thought into the situation BEFORE the situation happens.

That is our goal at FCA. Not only are we preparing each child for further education and jobs, we are also preparing each student through Bible classes, accountability groups, prayer, worship, Bible memorization, and outreach to impact the world for Jesus Christ. This won't happen by accident- it takes intentional preparation. 1 Peter 3:15 says, "But in your hearts set apart Christ as Lord. Always **be prepared** to give an answer to everyone who asks you to give the reason for the hope that you have." This is not a simple task, nor something that we learn through one lesson. To be prepared, we need daily, intentional thought put into our growth in Jesus Christ.

We covet your prayers as we strive to partner with you in this huge task!
