We have a service project going on right now, which involves some of FCA'S very own service men. The familiar Uncle Sam picture reminds us of time when soldiers were needed desperately, as we were in the middle of a world war.

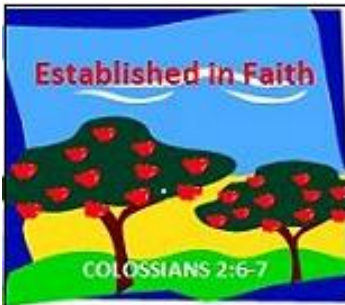

I'm reminded of another battle that we are in...and that is our Spiritual battle. The Bible tells us Satan roams to and fro, seeking whom he may devour. We must always remember that the key word in there is "may." That makes a huge difference, for that verse could mean something entirely different for each of us.

We have an advocate, Jesus Christ. Now more than ever, our children need to be aware of this. We never need to do anything on our own. One of the ways to prepare them for independent living is to remind them not to be independent from Christ. Always include Jesus in every waking moment. He is always our best source for the right answers and He loves us enough to be concerned for all of our needs; even ones that seem so small.

God daily reminds us of His presence each and every day. Through Him, we truly can do wonders. We need to keep reminding our children of this; for it is one of the many ways that we can train them up and equip them for service!

Blessings,

Mrs. Kukulka

Progress Reports went out this week. Please contact Mrs. Raduechel in the office @ 715.842.0797, if you have any questions or concerns. You may also use this time to set up a conference with teachers. Each teacher is eager to be an advocate for your child. Take the time to get to know your child's teacher and work alongside them.

## Wreath Sale Fundraiser

Please turn your wreath orders in each Monday. Also, if you have any direct ship orders, please report those to the office as well. One other tidbit to remember in regards to fundraisers...Each family has the option of paying the fundraiser fee. Contact the office, if you would like to make these arrangements.

### *Make a Difference Day*

*On October 19<sup>th</sup>, the 9<sup>th</sup>-12<sup>th</sup> grade students will be joining the United Way and other members of the community, to rake leaves for the elderly and shut-ins. Students will arrive at school at the normal time. We will be planning our school day around this event. The project will be for two hours only. (9:00 a.m. - 11:00 a.m.) Please plan to drop your child off @ the normal 7:45 a.m. time. It is important that each child is present. After all, we can't make a difference if we don't show up. :O)*
